

Voc -free multi-purpose Pressroom Cleaner Concentrate 220 400 Zi

- **VOC-free (*)**
- **water based, environmentally friendly cleaning agent for metering rollers and coating systems**
- **suitable for cleaning of various kinds of surfaces, not only in the printing industry**
- **with corrosion inhibitor for steel, aluminum, brass, non-ferrous metals**
- **in accordance with the quality standards of the BG ETEM Initiative for Cleaning Agents**
- **in accordance with the “Austrian Ecolabel UZ-24” and “Blue Angel UZ-195”**

Characteristics:

The product is delivered as concentrate and can be diluted with water before use to the desired application concentration. Dilution is possible with up to 3 parts of water. The concentrate - and consequently also the dilution - do not contain any VOC's and remove easily oily and fatty deposits from all kinds of surfaces. The product also removes caked on glue residues and finger prints etc.

Please note:

For diluting of multi-purpose Pressroom Cleaner Concentrate 220 400 Zi demineralised water (reverse osmosis water or de-hardened water) has to be used.

In the graphics industry the concentrate can be used for all cleaning purposes. This is valid for sheet fed, web offset heatset, coldset, rotogravure and flexo printing as well as for all coating applications (dispersion and UV coating) and hybrid technique. In concentrated form, this cleaner is very well able to remove caked on glue residues from rubber cylinders, gluing machines for folding boxes etc.

Pressroom Cleaner Concentrate 220 400 Zi contains no halogenated hydrocarbons, aromatic or aliphatic hydrocarbon mixtures nor APEO containing emulsifiers. This product is absolutely ecologically harmless, does not contain any VOC's. Working pH value: approx. 11

Voc -free multi-purpose Pressroom Cleaner Concentrate 220 400 Zi

Application:

We recommend to use the cleaner together with **EASY-SCRUBBER**.

That way you can reduce the cleaner consumption and rise the economic efficiency.

Apply pure and rinse off with water.

Safety Indications:

Multi-purpose Pressroom Cleaner Concentrate 220 400 Zi is not combustible.

When handling, please wear protective gloves (material: nitrile rubber - NBR).

In addition, we recommend to use **Special Hand Protection Foam EASY-HAND®**.

Packing:

Carton with 12 **bottles** of 1 kg

Cans of 25 kg, **Drums** of 220 kg

Containers of 650 kg or 1.000 kg

Pressroom Cleaner Concentrate 220 400 Zi can be delivered with screw-on pump spray

*) : VOC=volatile organic compound
